

Healthchek (EPSDT)

Important Webinar

You could WIN A FREE LUNCH for your office when you attend!

Early Childhood Screening, Diagnosis and Treatment – EPSDT – is an important way we protect the health and well-being of children.

To help providers understand what's required and when, Ohio's Medicaid Care Coordination Plans are joining together to offer an **in-depth seminar** that gives you the **information you need to meet state requirements** and provide the best possible services for children.

Dates and Times:

See list below and select a date and time that fits your schedule. Please plan to observe at least one presentation.

Who Should Attend?

Primary Care Providers, Clinics, Office Managers and Staff

How to Participate:

FOR INTERNET VIEWING:

Log in to <https://hsh.webex.com>

The access code is the "Meeting Number" listed in the right hand column.

Then Call in to **1- 866-699-3239** for the audio portion of the presentation

Can Search by word "Healthchek" to select from list.
